A. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problem which may arise affecting the terms and conditions of this Agreement, and to resolve grievances as soon as possible so as to assure that this procedure will be kept as informal as may be appropriate.

2. Nothing contained herein shall be construed as limiting the right of any Employee having a grievance to discuss the matter informally with the Chief of the Department, and having the grievance adjusted without the intervention of the Association.

B. Definition

1. The term "Grievance" as used herein means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement, and may be raised by an individual Employee, the Association or the Borough.

C. Steps of the Grievance Procedure

1. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety, unless any step is waived by mutual consent.

Step One:

(a) An aggrieved party shall institute action under the provisions hereof by requesting an informal conference with the Chief of the Department who shall make every

good effort to resolve the issue. If, however, said grievance cannot be resolved at the informal conference, the aggrieved party shall reduce the grievance to writing and present it to the Chief of the Department within ten (10) days after the informal conference, was held. Failure to so act within ten (10) days shall be deemed to constitute an abandonment of the grievance.

(b) The Chief of the Department or his designee for the Association, as the case may be, shall render a written decision within ten (10) days after receipt of the written grievance.

Step Two:

(a) In the event the grievance is not settled through Step One, the same shall be reduced to writing by the Association and signed by the aggrieved and filed with the Commissioner of Public Safety or his representative within fifteen (15) days following the determination by the Chief of the Department.

(b) The Commissioner of Public Safety or his representative or the Association shall render a decision in writing within fifteen (15) days from the receipt of the grievance.

Step Three:

(a) If the grievance is not settled through Steps One and Two, either party may refer the matter to the Public Employment Relations Commission within ten (10) days after the determination by the Commissioner of Public Safety. An Arbitrator shall be selected pursuant to the Rules of the Public Employment Relations Commission.

(b) However, no Arbitration Hearing shall be scheduled sooner than thirty (30)

days after the final decision of the Commissioner of Public Safety of the Borough. In the event the aggrieved elects to pursue his appellate right in accordance with New Jersey statutes, the Arbitration Hearing shall be canceled and the matter withdrawn from Arbitration. The Association shall pay whatever costs may have been incurred in processing the case to Arbitration.

(c) The Arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him in the grievance. The Arbitrator shall not have the authority to add to, modify, detract from, or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the Arbitrator shall be final and binding.

(d) The cost for the services of the Arbitrator shall be borne equally between the Borough and the Association. Any witness shall be paid by the party incurring same.

ARTICLE VII

MANAGEMENT RIGHTS

A. The Borough hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement, by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting, the generality of the foregoing, the following rights:

1. Manage Employees of the Borough, to hire, promote, transfer, assign or retain Employees in positions within the scope of the Borough's rights, and in that regard to establish work rules and regulations. Such work rules and regulations shall be in written form and a copy shall be provided to each member of the Association and with applicable amendments thereto, when amended.

To hire all Employees, and subject to the provisions of law, to determine their qualifications and conditions for continued employment or assignment, and to promote and transfer Employees, all of which shall be subject to and contingent upon the faithful performance of this Agreement. In the event anything herein contained shall be in conflict with any existing ordinance, rule or regulation of the Borough, this said Agreement shall supersede the same where inconsistent therewith.
3. To suspend, demote, discharge or take any other disciplinary action for good and just cause according to law.

ARTICLE VIII

HOURS AND OVERTIME

A. The annual work schedule shall consist of not more than two hundred forty-seven (247) shifts per year, and any time over and above shall be considered as overtime at the discretion of the Director or his designee. Further, any time over and above the 247 shifts may be taken as "Adjust-time" off, at the discretion of the Chief of Police. In times of emergency, all Employees covered by this Agreement are subject to call, unless they are on sick leave. Employees, except detectives, who are required to work overtime approved by the Chief of Police or his designees, will be compensated for such overtime work after one-quarter (1/4) of an hour, at the rate of time and one-half of the normal hourly rate of pay of said Employee. Such overtime shall be subject to the approval of the Chief of Police or his designee. (It is further understood and agreed that the time spent by an Employee of the police force attending school shall be at a rate of straight time and shall be considered separate and apart from any other time worked in the Department on that particular day; however, there shall be no double payment.)

The work schedule shall consist of a "4-2" monthly rotation of four (4), eight (8) hour, shifts worked with two consecutive days off. The shifts shall be 11:00 p.m. to 7:00 a.m., 7:00 a.m. to 3:00 p.m., and 3:00 p.m. to 11:00 p.m. This incorporates the current (4 on 2 off) work schedule, which follows a monthly rotation of three primary shifts, 11 PM - 7 AM, 7 AM to 3 PM and 3 PM to 11 PM, in that order. The parties further agree the schedule allows

for the following exceptions to his rotation of shifts. The three least senior officers in the department, which will be determined by their date of hire, will be declared "Floaters". The schedule for these officers may be adjusted for shift coverage in no specific rotation. However, these officers will remain protected by all other terms of the contract agreement between the Borough of Bradley Beach and Local #50 of the New Jersey State PBA - The Bradley Beach Police Association.

The parties agree to current overlapping shifts. The overlapping shifts shall be used when necessary as determined by the Chief of Police. The Chief of Police shall have the ability to change the hours of an overlapping shift back to a primary shift. In the event the hours of a shift are to be changed, the Chief of Police will provide a minimum of four (4) hours notice to the Employee scheduled to work the shift in question.

B. Overtime is herewith defined as that work performed by an Employee exceeding one-quarter hour of the Employee's tour of duty, or when said Employee is recalled to duty on his day off, or other than his tour of duty. C. Any Employees recalled to duty on his day off or recalled other than the continuance of his regular tour of duty, shall be guaranteed a minimum of two (2) hours at the overtime rate as herein provided, except for a "Signal 66" to be used only in the case of emergencies, where only a telephone call is required to Police Headquarters by the Employee. If, as a result of such phone call, the Employee(s) are specifically requested to come to headquarters, they will be paid the guaranteed overtime rate mentioned hereinabove.

D. All court appearances, excepting any matter wherein a civilian is complaining of or instituting suit against civilian or civilians, in a matter pertaining to civil litigation shall be construed to be work and applicable provisions of this Article as to overtime pay and minimum recall time of two (2) hours, shall be applied to Court appearances except as prohibited by N.J.S.A. 40A:14-135. Records for Court attendance shall be prescribed, supplied and maintained by the Borough.

E. Compensation for overtime shall be paid to the Employees at the end of the usual pay period next succeeding that in which such overtime was worked when and wherever possible.

F. Whenever an Employee elects compensatory time off in lieu of overtime, he shall be entitled to one and one-half time the actual hours worked in overtime, not to exceed a maximum accumulation of eighty (80) hours. Employees covered by this Agreement shall have the ability to bank up to eighty (80) hours compensatory time and will be able to take compensatory time on a daily basis provided that the Employees give the Chief of Police thirty-five (35) days advance notice of their intention to take their compensatory time off.

The parties agree to limit the use of compensatory time off during the time period between June 15th and September 15th. Compensatory time off during these months will be at the discretion of the Chief of Police.

G. The Association agrees to share with the Borough, and without compensation, the time required to successfully promote police week and open house in the furtherance of good community relation. The Chief of Police or his designee may, from time to time, call

H. Members of the Association, above the rank of Patrolman, who are shift commanders, hereby agree to attend sixteen (16) meeting per calendar year with the Police Director, the Chief of Police or their designee without compensation.

I. The Chief of Police or his designee, shall post the work schedule of the Employees covered by this Agreement in a prominent location, one month in advance of the time said schedule is to become effective.

Said advance scheduling requirement is specifically subject, however, to the absolute discretion of the Chief of Police to make reasonable changes in the advance schedule in the event of public emergency, disasters, schooling notices, *etc.*

Changes in days off occurring during the applicable scheduling period may be handled by the Employees by changing with one another so long as the shift is covered and the Chief of Police or his designee gives written approval of the change within twenty-four (24) hours before the day off is to take effect. If there is a vacancy on a shift due to schools, *etc.*, changes can be made with the agreement of the parties involved and with the approval of the Chief of Police or his designee.

J. The term "emergency" as used within this Article, includes civil disturbances, riots, disorderly assemblages, and disasters, or other serious occurrences, whether brought about by natural causes or by the action of any person, where such state may, in the opinion of the Chief of Police, cause violence and injury to be inflicted upon persons in the Borough or may cause damage to and destruction of property belonging to people within the Borough.

K. In the event the overtime provisions of this Agreement is deemed to be void by State Statute or by Court decision, the parties agree to reopen negotiation to formulate new language concerning the part of the overtime provision affected by the State Statute or Court decision as aforementioned.
